**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from this substance.

**CAUSE**

On February 22, 2006, Mr. Isadore reported for an office visit following his release from prison and admitted to entering the Hideaway Tavern in Wapato, Washington, on February 18, 2006. He indicated his aunt owns the tavern, and he only went there to have dinner and meet family members. The defendant denied consuming any alcohol. As a corrective measure, Mr. Isadore has agreed to comply with a substance abuse evaluation and follow through with any recommended treatment. In addition, recent 9<sup>th</sup> Circuit case law requires the Court to specify a specific number of urine tests to be set. Enclosed is a waiver signed by the defendant agreeing to the above modification of his conditions of supervised release.
